

LINCOLN UNIVERSITY PROFESSIONAL PLANNING PROGRAMMES

ACCREDITATION RENEWED! HAMISH RENNIE

LU is happy to announce that following consideration of the report of its accreditation review committee, the NZPI Council has reaccredited the Master of Environmental Policy (MEP) (with the required electives) for a further 5 years. The Bachelor of Environmental Management and Planning (BEMP) with the Professional Planning minor plus one year of specified post graduate study has also been accredited for two years. The difference between the accreditation period for the two reflects the intention of the NZPI to

review its education policy, and it would seem that for consistency the NPZI would be likely to do the same for all other undergraduate programmes coming up for review.

Out of more than 100 post graduate students in the Faculty of Environment, Society and Design, there are currently 15 post-graduate students at various stages of doing programmes that would make them eligible for NZPI membership.
